Michigan State University
Police Department

Parent/Family Orientation Program
About the MSU Police

- Licensed through the State of Michigan
- Responsible for responding to crimes and calls for service on all property owned by MSU
- 24/7 police response on campus
- We believe in community policing as the basis for our actions
Reflecting the Community We Serve

- All officers have a minimum of a Bachelor’s Degree

- Some officers have furthered their education by receiving advance degrees while employed at MSU Police Department

We have lived the college experience and faced the rewards and frustrations of life as a college student.
Transparency & Accountability

**Body Worn Cameras**
- All patrol officers trained and equipped
- All official law enforcement duties are to be recorded

**Comprehensive training**
- Inclusion and Anti-Bias Unit
- Trauma informed and victim-centered approach to sexual assault investigations
- Verbal de-escalation

Decision making based on the use of force continuum

**Police Oversight Committee**
Community Policing

Community policing focus which works with the MSU community to facilitate a safe environment

Seven neighborhood offices throughout campus
MSU Police Department
Parent/Family Orientation
We are a Resource

- MSU Police safety presentations for groups
- Response for calls for service
- Special Victims Unit
- Behavioral Threat Assessment Unit
Property Safety on Campus

  - Cable secured through U-lock and wheels
  - U-lock secured through rack, front wheel, and bike frame.

 OR

- Removing the Front Wheel:
  - Replace quick-release with locking skewers for added security.
  - U-lock secured through rack and bike frame through rear triangle and wheels.

Who’s watching it...when you’re not?

PROTECT YOURSELF ONLINE
Personal Safety on Campus

Common Sense Approach
• Be aware of surroundings
• Walk in well-lit areas if possible
• Walk with others when possible

Reporting a crime or suspicious activity
• Call 911 for emergencies
• Non-emergencies, call 517-355-2221
• Report anonymously:
  • on our website
  • on our ‘Submit Tips’ tab on Facebook
  • or by texting MSUPD to CRIMES (274637)
MSU Alert

Responsible for issuing emergency notifications
• Weather emergencies
• Ongoing dangerous situations
• Threats to campus

NIXLE Channel:
Text MSUALERT to 888777
Parking Services:
Vehicles, Bikes & Mopeds

Parking on campus
• Must be at least a second year freshman with 20+ completed credits to park a vehicle on campus

Registration
• Bikes: It’s required and FREE
• Mopeds: Required, $50 (valid for a year)
• https://permits.police.msu.edu

Mopeds: New Fall 2018
• Mopeds no longer allowed to park at the bike racks
• Mopeds must be registered and parked in designated moped parking areas
• http://police.msu.edu/mopeds
Contacting the MSU Police

Emergencies: 911
Non-emergencies: 517.355.2221

Parents/Family in Transition 2018
The State of Spartan Health

MSU surveys show that students turn to parents first when looking for information on being ill.

*Action:* Be available, be informed and learn to refer.

Being ill with a cold or the flu is one of the main reasons students miss class – 48%* report having had a cold or flu.

*Action:* Wash your hands, cover your cough!

*(NCHA) National College Health Assessment, 2018*
The State of Spartan Health

47%* of MSU students experienced **sleep difficulties** in the past year, and 18% reported that those difficulties seriously impacted their academic performance.

*Action*: Help your student to recognize the importance of getting enough sleep daily.

68%* of MSU students said they experienced stress last year and 29%* report that **stress** seriously affected their academic performance.

*Action*: Encourage regular activities that counter stress for the student (i.e. listening to music, exercise, talking to family & friends, prayer, SLEEP, etc.)

*NCHA 2018
The State of Spartan Health

Most MSU students (67%*) report being at or slightly **under weight**, and 48%* overall report trying to lose weight.

*Action:* Recognize that body image is really a matter of perception. Restricted eating to control one’s weight can lead to more serious eating problems.

Most MSU students (67%*) report **exercising** three or more days per week to improve cardiovascular fitness.

*Action:* At MSU there is plenty to do to stay active: walk, ride, run, use IM sports and facilities. The **SPARTANfit** program can provide support and guidance.

*NCHA 2018*
67%* of MSU students **drink 0 – 4 drinks** (alcohol) when they party, about half limit themselves to one or two drinks. **29%** of MSU undergraduates report not having drank alcohol in the past 30 days. Most MSU students are not high-risk drinkers.

*Action*: Affirm moderate use and use of protective behaviors, i.e. eat before and during, use a designated driver, avoid drinking games, etc.

92%* of MSU students report **not having smoked** cigarettes in the past 30 days. **87%** of MSU students report not using e-cigarettes in the past month.

*Action*: Validate that smoking is not the norm at MSU. **MSU is a tobacco-free campus.**

*NCHA 2018*
MSU Counseling & Psychiatric Services (CAPS)

Parents/Family in Transition 2018
COUNSELING

Top Eight Areas of Concern

1. Depression
2. Anxiety
3. Academic issues
4. Relationship concerns
5. Traumatic experiences
6. Substance abuse (alcohol and other drugs)
7. Eating concerns (anorexia, bulimia)
8. Racial and acculturation issues
Definition of Transition:

“Moving away from previous sources of structure, affiliation, and identity toward the new sources of structure, affiliation, and identity of the next life stage.”
Parents/Family in Transition 2018
